## **Casale del Giglio Satrico Bianco Lazio IGT 2017**

**Rated 89, David Lawrason, WineAlign, June 2018**

*"This large avant garde winery near the coast southeast of Rome has focused on an eclectic range of grape varieties old and new. This very aromatic, engaging blend contains chardonnay, sauvignon and native trebbiano, the latter responsible for the exotic almost tropical and gingery aromas. It is quite full bodied, yet fresh and well balanced - packed with fruit that hits very good length."*
