

FATTORIA LE PUPILLE **2016 Morellino Di Scansano**

Tasting Notes

Ruby red, already from sight one can notice its clearness. The scents are those of red berries, rosmarine and an aroma that reminds us Maremma. The body is of a good substance, balanced by a distinguished acidity. A persistent wine, juicy with crispy tannins that are well integrated: a wine inked to its land but with a style that is appreciated worldwide.

Food Pairing: Perfect for first courses, even more elaborate ones and meat based second course typical of Maremma.
