

MONTES **2017 Limited Selection Sauvignon Blanc**

Tasting Notes

Bright and crystalline straw yellow in color. High aromatic potential, typical of the Leyda Valley with a blend of aromas of white fruits such as fresh pineapple, white peach, and passion fruit along with floral and citrusy notes and a hint of asparagus in the background. The palate is fresh and crisp with an impressive attack. This is a light Sauvignon Blanc with a long and pleasing finish.

Food Pairing: Highly recommended with razor clams Parmesan, salmon ceviche, Patagonian blenny fish, and shrimp in garlic sauce.
