

PEACOCK'S FAN **2017 Sauvignon Blanc**

Tasting Notes

Pristine vibrant green tinged straw. Lifted fresh Sauvignon Blanc purity mixed with grapefruit and fragrant gooseberries. Mouthfilling pithy grapefruit juice and fresh layers of mineral like flavor in the middle palate before a long generous citrus finish. Drink now. With a zesty nose and a three dimensional refreshing palate, this sauvignon blanc is delicious served moderately chilled as an aperitif or a great counterpoint to seafood.
