*"The 2013 Chianti Classico Gran Selezione Sergio Zingarelli is this estate's most ambitious wine. This Gran Selezione is robust and powerfully endowed in terms of its aromatic impact. In contrast, the mouthfeel is more streamlined and fine. This blend of 90% Sangiovese and 10% Colorino walks a fine line between bulk and finesse. The texture is silky and the wine offers pretty notes of dried cherry, plum and toasted spice on the finish"*

*"The 2013 Chianti Classico Gran Selezione Sergio Zingarelli is a relatively soft, open-knit wine for the year. As such, it will drink well with minimal cellaring. Soft contours and silky, vibrant red cherry/plum fruit add to the wine's considerable appeal."*
