

ROMIO **2016 Primitivo Puglia IGT**

Tasting Notes

Romio Puglia Primitivo is intensely red in colour with a violet hue. The nose is typical of Primitivo, with lots black fruit, spice and white pepper. Layered and rich on the mouth, with jammy black cherries, truffles, espresso and a dense, creamy texture. An extraordinarily round and complete wine.

Technical Data

Varietal: 100% Primitivo di Manduria
Alcohol: 13.5%
Region: Puglia

Romio Primitvo Puglia IGT 2016

Jason Solanki, WineAlign, June 2018

"Raised completely in tanks. Aromas are ripe and fruity with blueberry, blackberry, and sweet spices, along with brambly hints throughout. It's dry on the medium-bodied palate with smooth, supple tannins that add a bit of texture. Nice aroma replays with cola notes joining the dark berry and sweet spice flavours. Lively acids are nicely balanced, while earthy and dark berry tones linger on the finish, with good length." Tasted June/2018.
