**Release Date**

February 2016

Rosehall Run proudly presents our first traditional method sparkling wine. The newest member of the Rosehall Run family is a multiple vintage cuvee of estate grown blanc de blanc (100% Chardonnay).

**Winemaking Description**

Aged in mostly older French oak puncheons, our first bottling represents less than 25% of the total cuvée. The balance remains in the Rosehall Run Barrel Cellar resting on its lees or in champagne parlance 'en tirage'. CEREMONY was finished with minimal dosage; in this particular disgorging it is 2.5 g/L.

*"A little ceremonial joy in the division here with Dan Sullivan taking some fizz chances to create a new PEC sparkling order. A multiple vintage cuvée from estate grown fruit of weight, substance, tang, drive, a shot put of citrus, servitude to PEC Chardonnay, certitude to B de B style and structure. Just enough pierce to go through and come out clean, even in the face of oxidative time, on the other side. Dips into the well of Champagne to recover its fearless tactility. These are bubbles that "travel first and lean towards this time." Timing is everything. Drink 2016-2021."*

### **Rated 90 & 2 Stars, John Szabo, WineAlign, March 7, 2016**

*"This is a well-balanced, rich and flavourful sparkling chardonnay, made from fully ripe grapes with high flavour intensity, yet vibrant acids and fine tension and energy. Length and depth are superb, and dosage is well measured. A great addition to the growing line-up of quality County bubbles."*

*"Ceremony is a traditional method sparkling wine from multiple vintages made entirely of Prince Edward County grown chardonnay. Notes of fennel, rosebud and pear on the nose with a crisp, mouthwatering palate. Mineral and crunchy saline along with white grapefruit and lemongrass refresh and linger on the finish. Ageing in large, 500 litre barrels adds a slight toastiness that enhances the yeasty, autolytic element in the wine. Elegant and memorable."*

*"Another excellent bubbly wine from the County. It is a well-balanced, rich and flavourful sparkling chardonnay, with ripe fruit aromas and flavours of fresh pear, lemon and melon fruit. The fine balancing acidity gives it tension and vitality. Excellent length."*

*"Really very good. Richer styled bubbly that doesn't resort to sugar to give it some texture. This has impeccable balance, fine acids, a buttery richness, and a nuanced rocky minerality that runs from first sip to the end of the bottle. Comfortable, interesting and elegant. What more could you ask from a bubbly?"*
