

SEGURA VIUDAS **Reserva Heredad Cava**

Tasting Notes

Straw yellow in colour, with a small, fine, plentiful mousse. The opening aromas are of the ageing on lees, lightly smokey, with touches of biscuit or bread, which are followed by hints of honey, fruit and flower petals. The palate is excellent, fruity and full of flavour, with dried fruits from the lees ageing, but very elegant, giving the drinker a delightful sense of abundance.

Segura Viudas Reserva Heredad Cava

Rated 92, Natalie MacLean, June 9, 2018

"Here's your sparkling wine for the summer (and year round)! Terrific value in this well-made, toasty and refreshing bubbly from Spain that's a third of the price of Champagne. Segura is one of the most respected producers of Cava, the Spanish name for sparkling wine. Terrific earthy aromas mingle with toasted almond and some green apple. Great aperitif or try it with roast turkey, fried chicken, or yes, even potato chips. Elegant, layered, refreshing."

Rated 90 & 2 1/2 Stars (out of 3) Value, John Szabo, WineAlign, November 2, 2017

"Fleshy, flavourful and attractively toasty, this is another fine bottling of Segura Viudas' premium Cava offering. There's plenty of yeasty autolysis, fresh bread dough and blanched almonds over green apple and citrus fruit. Fine mousse, and persistence, too."

"Bright medium straw colour. Intense, fairly complex, slightly honeyed, gently toasty, ripe lemon-melon-apple nose. Dry, medium bodied, quite well structured, harmonious, tangy, ripe lemon-melon-apple flavours with good effervescence and a lingering, crisp, somewhat toasty finish."
