Porta 6 VR Lisboa 2016

Rated 88, David Lawrason , WineAlign, August 2018

"Love the label, and I really like the value, complexity and ambiance of this wine. It is all about freshness, vitality and energy and wild berry fruit, pepper and herbs. Grape varieties are not specified. It is medium weight, juicy a bit green and abrasive, but not too austere. The length is good to very good"

Vidigal Porta 6 2015

Rated 90, Chistelle Guibert, Decanter.com, May 18, 2017

"From the indigenous varieties of Touriga Nacional, Tinta Roriz and Castelão, this is a straightforward, medium-bodied red with blackcurrant and floral notes. It is very refreshing and vibrant with smooth tannins and, more importantly, it is worth every penny."
