"An excellent prosecco for a great price. The words Il Fresco are on the front label in white are almost impossible to read. The nose shows delicate fresh lemon mineral melon pear fruit; aromas that are very enticing. The palate is initially ripe melon fruit and then it explodes into a fine mousse that caresses the mouth and liberates fine lemon, mineral and white peach flavours. Serve as an appetitif or with delicately flavoured appetizers. Very good length and finely balanced"

"A classic, more earthy Prosecco with notes of golden apple. Pair with shellfish."

"Forward pear and apple notes on the nose, alongside some grassy character. Medium bodied, drier than most commercial Prosecco, making this a more versatile wine, especially at this great price."

"Supple bubbles keep this wine lively, zipping away the sweetness and bringing out lemon-lime and green-apple flavors. A clean, pleasantly sweet sparkler for grilled prawns with fruit salsa."
