

WAKEFIELD WINES **2017 Estate Chardonnay**

Tasting Notes

At release, the wine is a pale straw with a slight green hue to the edge. Delight-ful aromas of white peach, nectarines, tropical fruit and citrus zest with a hint of cashew. Fresh flavours of stonefruit combine with cashews and an underlying toastness from the barrel fermentation to deliver a mouth-filling and enjoyable wine. The wine has a clean, elegant palate, a zesty acid backbone and long, persistent finish.
